Regan Arts.

"I wrote *Strong Looks Better Naked* to tell the story of my becoming a more resilient person. I hope the book inspires others to focus on building their own strength and to become the best they can be—no matter what their struggle."

-Khloé Kardashian

Khloé has arrived.

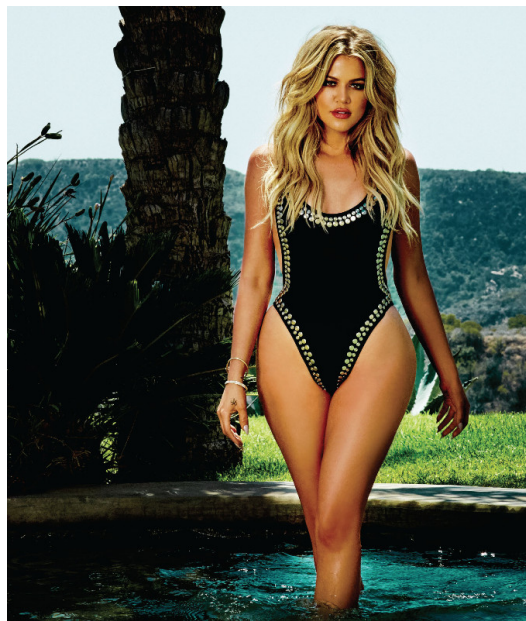

The moment fans around the world have been waiting for is finally here: Khloé Kardashian's *Strong Looks Better Naked* officially hits bookstores today.

From how to avoid diet-busting foods and look forward to working out to quickly moving from the negative to the positive in everyday life, Khloé writes with a passion about the power of strength. You can look forward to her sharing the

Not only that, but Khloé shows off her strength on the cover of the book...and the jacket also folds out to an exclusive full-size poster!

Strong Looks Better Naked is sure to be an inspiration for anyone who resolves to move ahead with courage and passion and to celebrate life with people who truly matter.
