DEAL OVERVIEW

Whether you're four or 104, nothing is more magical than a trip to the circus. Imaginations run wild with high-flying acts of wonder, attentions are enraptured by magical conjurers and stylish jugglers, and everyone is amused by the goofy clowns and animals at the Big Apple Circus!

Now on it's 34th season, the Big Apple Circus has been enchanting audiences around the world for over three decades. It is a circus that's not only magical, but is also dedicated to giving back to the community. Whether through its hospital-visiting Clown Care program, its youth-enriching Circus After School program, or any of its other charitable offerings or donations, Big Apple Circus helps to deliver the joys of the circus to everyone.

This year's show, directed and choreographed by actor, dancer, and choreographer Renaud Doucet, is entitled **Dream Big**. The show dares its audience to let the sights of the circus transport them from humdrum of summer into the fantasy of the circus. Plus, this season marks the final tour of famous Big Apple clown and International Clown Hall of Fame member Grandma, making it an absolute must-see.

We want our readers to experience this circus, so we're offering tickets to five upcoming shows at 50% off. Ringside and box tickets get you as close to the ring as possible, and are regularly \$50 each, but you can get them here for just \$25. Mezzanine tickets, a \$30 value, are yours for \$15 with this offer. [See Seating Chart](#).
