### DEAL OVERVIEW

Imagine if you lived your world in a bubble—everything you looked at would have that shimmering rainbow sheen. Now, this might have been more of a childhood fantasy, but we won't tell! What we will tell you, though, is that you can now enter a world filled with bubbles with **\$35 tickets** to the world-renowned **Gazillion Bubble Show** (\$64.50 value).

The Gazillion Bubble Show showcases the bubble-mastering talent of the Yang family. Created by Bubble Superstar Fan Yang, the Gazillion Bubble Show has been showcased around the world and is now ready to be seen by New York City audiences. You and your children will be dazzled by the variety of physics-defying bubbles that will glow, smoke, bounce, and grow while you're seated at the show!

Children are entranced by the show, from the pre-show photo opportunity—fitting the entire family inside a bubble—through to the bubble-filled auditorium climax. Best of all: when audience volunteers are requested on stage, the kids go wild because who doesn't want to hang out with a Bubble Superstar?

Get the kids out of the house without breaking the bank with today's Reader Offer. Tickets are regularly \$64.50, but we're offering our readers tickets for **\$35** each. It's a perfect way to spend the afternoon with your family, and will have the kids in bubble mania for weeks after!
